

Support SweetWater

Thanks for your help to make SweetWater a success year after year.

Your donation is important?

SweetWater has an annual budget just over \$100,000. A third is supported by grants from Canadian Heritage, Ontario Arts Council, other public funding, and various private foundations. The balance comes from ticket sales, corporate partnerships (sponsors), and the generosity of our many donors.

The funds raised support:

- **Artistic Fees** for performers and Artistic Director
- **Accommodations & Hospitality** for all visiting performers
- **Production costs** for venue and equipment rentals, insurance
- **Marketing & Promotions** to inform people about SweetWater
- **Special Projects** for original composition commissions, community outreach, and education initiatives
- **Ongoing Operations**
